Tips For Using Zoom in Worship

- Keep microphone muted to decrease background sound
- Send a private “Chat” to the UUCG Zoom Host if you need tech support
- If you can’t hear, check the volume on your computer, tablet or phone
- Turn on your camera so people can connect with you visually
- Use “Speaker View” During Worship; Switch to “Gallery View” for Connection Time after the service
- Make sure people in your house know your camera is on so they don’t get caught on camera unwillingly. . . or inappropriately
