## Beyond Sunday Morning

### Prayer: The Whisper of Our Souls

Words by the Soul Matters Team

Come, let us listen with new ears.

Do you hear it? That voice, so familiar, yet still far.

Less a longing and more a knowing.

A whisper of something inside that seems to have known us  
longer than we've known it.

Come, let us listen.

**Next Sunday, October 25**

**Faith Development at 10:00am:**

### *Listening for Silence*

How much silence do you experience in your day? Is silence something you long for, or something you try to avoid? How does the quality of our silence impact our perspective and experience of the world? Join us this morning to share a practice of intentional listening to the silence. *Facilitated by Christiana McQuain*
