Beyond Sunday Morning

Reading for Reflection:

“Without community, there is no liberation...
but community must not mean a shedding of our differences,
nor the pathetic pretense that these differences do not exist.” ~ Audre Lorde

Worship Service at 11:00am:
Tending To Our Grief

Virtual Field Trip to Unitarian Universalist Congregation of Ft. Lauderdale

Grief is not something to get over. Grief is a constant companion to which we tend, and everyone's grief is unique. Unfortunately, the pandemic has robbed us of so many ways that we find comfort. Again, this is a worldwide shared experience that hinders our commitment to both nonviolence and peace. If you would like someone that you have lost mentioned in this service, please send their photo and info to Rev. Smith.
