Beyond Sunday Morning

Chalice Lighting for the Vernal Equinox by Jennifer McGlothin

As the first hint of green begins to peek through the barren ground

As that little sprig grows into a healthy stem,

As that stem grows into a stalk and forms a bud

As that bud slowly opens with each new day to form a yellow daffodil

Let us be, like that first hint of green, renewed by the warm of the sun's rays

And ready to emerge with a new energy, ready to face the day.

Next Sunday, March 28

Faith Development at 10:00am:

Who Do I Choose To Be?

We will use a visualization exercise to explore things we identify with and how they manifest in our body. We will explore what it's like to take off that identity and visualize the opposite of that identity. This practice will empower us to consciously choose the identities we want to commit to.
