Beyond Sunday Morning

Wisdom for the week:

“Do not ask what the world needs.
Ask what makes you come alive, and go do it. Because what the
world needs is people who have come alive.” - Howard Thurman

What makes you come alive?

How does your coming alive contribute to the Beloved Community?

Worship Service at 11:00am:
Pathways to Healing & Regeneration

When you imagine pathways to personal, social and ecological healing and regeneration, what do you see? Who is with you on your journey? What transforms and gives way to new beginnings? Who and/or what are you accountable to along the way? Join UU Ministry for Earth and The Reverend Yadenée Hailu for a special Earth Sunday worship service exploring these questions in a collective journey on the pathways to healing and regeneration. This program will include a special collection for the UU Ministry for Earth.
