UU Values

As Unitarian Universalists, we draw from our heritages of freedom, reason, hope, and courage, building six values with Love at the center.

Inseparable from one another, these shared values are:

Interdependence: We honor the interdependent web of all existence.

Pluralism: We celebrate that we are all sacred beings, diverse in culture, experience, and theology.

Justice: We work to be diverse multicultural Beloved Communities where all thrive.

Transformation: We adapt to the changing world.

Generosity: We cultivate a spirit of gratitude and hope.

Equity: We declare that every person is inherently worthy and has the right to flourish with dignity, love, and compassion.
