Belief Explorers

Belief Explorers is a group of curious people interested in the wide variety of spirituality and beliefs. Meetings are 12:30 – 1:30PM on the 2nd Sunday of each month, both online via Zoom and in-person. Each month we explore a book, religion, person, or concept chosen at the previous meeting. Meetings are open to all UUCG members, friends, and visitors.

Email beliefexplorers@uucg.org if you have questions.

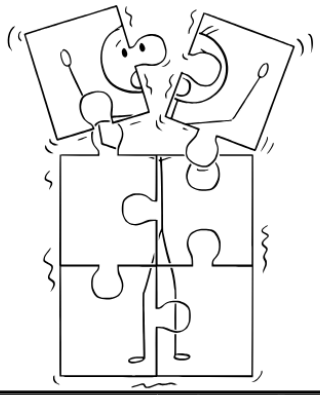

Rebuilding the World

by Paulo Coelho

A father was trying to read the newspaper, but his little son kept pestering him. Finally, the father grew tired of this and, tearing a page from the newspaper—one that bore a map of the world—he cut it into several pieces and handed them to his son.

"Right, now you've got something to do. I've given you a map of the world and I want to see if you can put it back together correctly."

He resumed his reading, knowing that the task would keep the child occupied for the rest of the day. However, a quarter of an hour later, the boy returned with the map.

"Has your mother been teaching you geography?" asked his father in astonishment.

"I don't even know what that is," replied the boy. "But there was a photo of a man on the other side of the page, so I put the man back together and found I'd put the world back together too."

UU Values

As Unitarian Universalists, we draw from our heritages of freedom, reason, hope, and courage, building six values with Love at the center.

Inseparable from one another, these shared values are:

Interdependence: We honor the interdependent web of all existence.

Pluralism: We celebrate that we are all sacred beings, diverse in culture, experience, and theology.

Justice: We work to be diverse multicultural Beloved Communities where all thrive.

Transformation: We adapt to the changing world.

Generosity: We cultivate a spirit of gratitude and hope.

Equity: We declare that every person is inherently worthy and has the right to flourish with dignity, love, and compassion.
